- Provide constructive feedback and support to students to help them achieve their educational goals.
- Create a welcoming and inclusive classroom environment that promotes active participation and student engagement.
- Assess student progress and maintain accurate records of their performance.
- Collaborate with colleagues and administrators to improve teaching methods and curriculum.
- Stay up-to-date with educational trends and best practices.
- Participate in professional development opportunities and training sessions.
- Ensure a safe and respectful learning atmosphere for all students.

### Qualifications

- Bachelor's degree in Education, a related field, or equivalent experience.
- Teaching certification or licensure is preferred but not mandatory.
- Passion for education and a genuine desire to help students succeed.
- Strong communication and interpersonal skills.
- Patience, empathy, and the ability to build rapport with students.
- Adaptability and the ability to work in a collaborative team environment.
- Experience working with diverse student populations is a plus.

### Experience

- Previous teaching experience, particularly in a classroom setting, is advantageous.
- Experience with online teaching and virtual learning platforms is a plus.
- Fresh graduates with relevant coursework or student teaching experience are encouraged to apply.

### Skills

- Effective classroom management and instructional skills.
- Proficiency in using educational technology and software.
