Ernst & Young Summer Internship Program For Recent graduates

Description

Ernst & Young (EY) is a global leader in assurance, tax, transaction, and advisory services. We are currently seeking a Senior Audit Manager to join our dynamic team. As a Senior Audit Manager at EY, you will play a crucial role in delivering high-quality audit services to our clients, managing a team of professionals, and contributing to the growth and success of our firm.

Responsibilities

- Lead and manage audit engagements for a diverse portfolio of clients across various industries.
- Plan, execute, and oversee the entire audit process, ensuring compliance with relevant accounting and auditing standards.
- Provide technical expertise and guidance to the audit team, including coaching and mentoring staff.
- Develop and maintain strong client relationships, serving as a trusted advisor and addressing client needs.
- Identify and communicate audit issues, risks, and opportunities to clients and senior management.
- Review financial statements and audit reports, ensuring accuracy and completeness.
- Stay current on industry trends, regulations, and best practices to enhance audit quality.
- Assist in business development activities, including proposals and presentations.
- Contribute to the development of EY's audit methodologies and tools.

Qualifications

- Bachelor's degree in Accounting, Finance, or related field (Master's degree preferred).
- Certified Public Accountant (CPA) or equivalent professional certification.
- Minimum of 8 years of audit experience, including significant experience in a managerial or supervisory role.
- Strong knowledge of auditing standards, financial reporting, and regulatory requirements.
- Excellent communication and interpersonal skills, with the ability to build client relationships.
- Proven leadership and team management abilities.
- Exceptional analytical and problem-solving skills.
- Strong project management skills and attention to detail.
- Ability to work effectively in a fast-paced, collaborative environment.

Experience

- Minimum 8 years of relevant audit experience, preferably with a reputable audit and advisory firm.
