Google Intern 2025 Communications Manager, External Affairs

Description

The Google Intern – Communications Manager, External Affairs position in New York is a unique opportunity for college students interested in the intersection of technology, public policy, and communication. As an intern, you will have the opportunity to work with experienced communications professionals at Google and learn how to develop and execute communication strategies that help the company build and maintain relationships with external stakeholders.

Responsibilities

As an intern with Google External Affairs, you'll be responsible for:

- Assisting with the development and execution of communication strategies across a variety of channels, including media relations, social media, and community engagement
- Monitoring media coverage of Google and its products, as well as industry trends and policy developments that may affect the company
- Conducting research and analysis to support communication and public policy initiatives
- Assisting with the planning and execution of events and meetings with external stakeholders
- Supporting the development of messaging and materials for external audiences

Qualifications

To be considered for the Google Intern – Communications Manager, External Affairs position in New York, you should meet the following qualifications:

- Currently enrolled in a college or university
- Interest in technology, public policy, and communication
- Excellent communication and writing skills
- Strong analytical and research skills
- Ability to work independently and as part of a team
- Familiarity with social media platforms and analytics tools
- Experience in media relations, public affairs, or related fields is a plus

Job Benefits

As an intern with Google External Affairs, you'll have the opportunity to work with experienced professionals in the field and gain valuable hands-on experience in communication and public policy. In addition, you'll receive a competitive salary and have the opportunity to attend industry events and networking opportunities. You'll also have access to Google's world-class facilities and resources.
