## Google Summer Internships 2025 Sales Specialist

### Description

Are you looking for an opportunity to gain valuable experience and develop your skills in the tech industry? Look no further than the Google Summer Internship Program. The Sales Specialist Internship in Chicago is the perfect opportunity to learn from industry experts and gain hands-on experience with one of the most innovative companies in the world.

The Google Summer Internship Program is designed to provide students with practical experience and exposure to the inner workings of Google. As a Sales Specialist Intern in Chicago, you will work alongside a team of experts in sales and marketing to drive business growth and provide customer solutions.

### Responsibilities

During your internship, you will be responsible for the following:

- Supporting sales and marketing teams in generating new business leads and opportunities
- Building relationships with customers and providing them with solutions to meet their needs
- Conducting market research and analyzing data to identify new opportunities for growth
- Creating and delivering presentations to internal and external stakeholders
- Contributing to the development of sales strategies and tactics

### Qualifications

To be eligible for the Google Summer Internship Program, you must meet the following qualifications:

- Currently enrolled in a relevant degree program, such as Business Administration or Marketing
- Completed at least two years of coursework in your program
- Possess a minimum GPA of 3.0
- Be authorized to work in the United States without sponsorship

### Experience

While prior work experience is not required, any relevant experience in sales, marketing, or customer service will be considered a plus.

### Skills

The ideal candidate for this internship should possess the following skills:

- Strong analytical and problem-solving skills
- Excellent communication and interpersonal skills
- Ability to work in a team environment
- Attention to detail and ability to work independently
- Knowledge of sales and marketing techniques and technology
