

## Indian Railway Finance Corporation Summer Internship 2025 Opportunities For Undergraduates

### Description

Indian Railway Finance Corporation (IRFC) is seeking a highly skilled and motivated Senior Financial Analyst to join our dynamic finance team. As a Senior Financial Analyst, you will play a pivotal role in managing financial operations, analyzing financial data, and providing strategic financial insights to support IRFC's mission. This role offers a unique opportunity to contribute to the growth and sustainability of one of India's leading financial institutions in the railway sector.

### Responsibilities

1. **Financial Analysis:** Conduct in-depth financial analysis, forecasting, and budgeting to support strategic decision-making.
2. **Financial Reporting:** Prepare comprehensive financial reports, including income statements, balance sheets, and cash flow statements.
3. **Risk Assessment:** Evaluate financial risks and recommend mitigation strategies to ensure financial stability.
4. **Investment Management:** Manage the investment portfolio, monitor performance, and provide recommendations for optimizing returns.
5. **Financial Modeling:** Develop and maintain financial models to assess various scenarios and investment opportunities.
6. **Compliance:** Ensure compliance with regulatory requirements and accounting standards.
7. **Stakeholder Communication:** Collaborate with internal and external stakeholders, including government agencies, financial institutions, and investors.
8. **Team Leadership:** Provide guidance and mentorship to junior financial analysts.
9. **Continuous Improvement:** Identify process improvements and best practices to enhance financial operations.

### Qualifications

- Bachelor's degree in Finance, Accounting, Economics, or a related field. A Master's degree is preferred.
- Chartered Financial Analyst (CFA) or Chartered Accountant (CA) certification is a plus.
- Minimum of 5 years of experience in financial analysis and management.
- Strong understanding of financial markets, investment principles, and accounting standards.
- Excellent knowledge of financial modeling and data analysis tools.
- Proficiency in Microsoft Excel, financial software, and ERP systems.
- Strong analytical, problem-solving, and communication skills.
- Ability to work independently and in a team, meeting tight deadlines.

### Experience

- 5+ years of relevant experience in financial analysis and management.
