NBC News Group Creative Animation Internships Summer 2025

Description

Are you a creative individual who is passionate about animation and storytelling? NBC News Group is seeking talented interns to join their Creative Animation team in New York for the summer of 2023. As a global leader in news and entertainment, NBC is committed to fostering the next generation of creative talent and providing a platform for interns to showcase their skills.

Responsibilities

As an intern with the NBC News Group Creative Animation team, you will have the opportunity to work on a wide range of projects and gain hands-on experience in a variety of areas, including:

- Creating storyboards and character designs
- Collaborating with writers and producers on creative concepts
- Assisting with animation production, including asset creation and animation revisions
- Providing feedback on projects and contributing to the creative process

Qualifications

To be considered for an internship with NBC News Group Creative Animation team, candidates should meet the following qualifications:

- Currently enrolled in a college or university program or recent graduate
- Strong portfolio showcasing animation skills and storytelling abilities
- Excellent communication and interpersonal skills
- Proficiency in Adobe Creative Suite, including After Effects and Photoshop
- Passion for animation and storytelling

Job Benefits

NBC News Group interns can expect to receive a variety of benefits during their time with the company, including:

- Competitive pay
- Exposure to a leading news and entertainment brand and network of professionals
- Opportunities for career advancement within NBC and parent company Comcast
- Access to mentorship and professional development programs
- Chance to work on real-world projects and build a strong portfolio
