

Standard Chartered Summer Internship Program For College Students

Description

Standard Chartered is a leading international banking group that operates in over 60 markets worldwide, with a strong presence in Asia, Africa, and the Middle East. Established in 1853, we have a rich history of providing banking and financial services to individuals, businesses, and institutions. Our commitment to diversity, sustainability, and innovation has made us a trusted partner for our customers and a responsible corporate citizen.

Responsibilities

- **Client Relationship Management:** Build and maintain strong relationships with clients, understanding their financial needs and providing tailored banking solutions.
- **Risk Assessment:** Conduct thorough risk assessments and due diligence on clients and transactions to ensure compliance with regulatory requirements.
- **Financial Analysis:** Analyze financial statements and data to assess creditworthiness and make informed lending decisions.
- **Portfolio Management:** Manage a portfolio of client accounts, monitoring their financial performance and recommending adjustments as needed.
- **Compliance:** Ensure adherence to internal policies and external regulatory requirements to mitigate risks.
- **Business Development:** Identify opportunities to grow the client base and generate new business for the bank.
- **Team Collaboration:** Collaborate with cross-functional teams, including credit analysts, legal, and compliance, to facilitate smooth banking operations.

Qualifications

- Bachelor's degree in finance, economics, or a related field (Master's degree preferred).
- Strong knowledge of banking and financial products and services.
- Understanding of risk assessment and compliance processes.
- Excellent communication and interpersonal skills.
- Analytical mindset with the ability to interpret financial data.
- Relevant certifications (e.g., CFA, CFP) is a plus.

Experience

- Minimum of [X] years of experience in banking or financial services.
- Proven track record of client relationship management and business development.
- Experience in credit analysis and risk assessment.
- Familiarity with local and international banking regulations.
