## Tata Steel Summer Internship Program For Undergraduates

### Description

Tata Steel is seeking a Production Engineer to join our dynamic team at our state-of-the-art manufacturing facility. As a Production Engineer, you will play a crucial role in ensuring the efficient and safe operation of our production processes. You will work closely with cross-functional teams to optimize production, drive continuous improvement initiatives, and contribute to the overall success of our organization.

### Responsibilities

1. Monitor and oversee day-to-day production operations to ensure compliance with safety and quality standards.
2. Collaborate with production teams to troubleshoot and resolve operational issues, minimizing downtime.
3. Develop and implement process improvements to enhance production efficiency and reduce costs.
4. Conduct root cause analysis and implement corrective actions for any quality or performance issues.
5. Assist in the planning and execution of preventive maintenance activities to ensure equipment reliability.
6. Provide technical support and training to production staff.
7. Participate in the development and implementation of safety protocols and procedures.
8. Maintain accurate production records and reports.
9. Stay up-to-date with industry trends and best practices in production engineering.

### Qualifications

- Bachelor's degree in Mechanical, Industrial, or Manufacturing Engineering.
- Strong knowledge of production processes and equipment.
- Excellent problem-solving and analytical skills.
- Effective communication and teamwork abilities.
- Proficiency in computer applications and software relevant to production engineering.
- Knowledge of safety regulations and best practices.

### Experience

- Minimum of 2-3 years of experience in a manufacturing or production engineering role.
- Experience with process optimization and continuous improvement methodologies (e.g., Lean, Six Sigma) is a plus.

### Skills

- Technical expertise in production engineering principles.
- Strong project management and multitasking skills.

### Hiring organization

Tata Steel

### Employment Type

Intern

### Duration of employment
